For many years we have known the secret of our salt air frost.

Balsam fir require 21 hard frost mornings to set their needles.

Only then are the fir boughs seasoned to ensure the lasting

fragrance, greenery and needle retention required for our Christmas Wreaths.

**Each handcraft product is packed in a humidity controlled box  
suitable for yourself or a gift presentation.**

## High Park Choirs of Toronto

Profits from each product purchased  
will assist with training young voices  
and developing a love of choral music  
among choir members.

The Choir offers young people a sense of  
personal accomplishment through choral singing.  
As a choral community, the Choir promotes  
teamwork and a commitment to social and cultural diversity.
